PETITION FROM CONCERNED CITIZENS AND FRIENDS OF THE UNION STREET/WASHINGTON STREET EXTENTION NEIGHBORHOOD, COMMUNITY AND ISLAND OF NANTUCKET

TO: **THE TOWN OF NANTUCKET**

FROM: **Concerned Citizens and Friends of the Union Street/Washington Street Extension Neighborhood, Community and Island of Nantucket**

SUBJECT: **Opposition to The Proposed Great Harbor Yacht Club**

We, the undersigned, are opposed to the development and construction of The Great Harbor Yacht Club. Many of us have communicated our opposition to the Planning Board, the Conservation Commission and the developers themselves.

We want to maintain the waterfront for the perpetual use and enjoyment of all of Nantucket's residents and visitors; we want to ensure the continued operation of the only boatyard in Nantucket's harbor for the benefit of Island and visitor's pleasure craft as well as working fisherman; we want to protect the waterfront environment and especially The Creeks from irreparable harm and we want to protect the Neighborhood, the Community and the Island from the inevitable adverse effects of exclusive development.
